

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product

Road restraint systems

- Safety barrier Kanerva W230/4 Ty 3/51, Containment level N2, impact severity A, class of resistance to snow ploughing 4, post spacing 1 m and 4m
- Median barrier Kanerva BB Ty 3/61, Containment level H1, impact severity A, class of resistance to snow ploughing 4, post spacing 2 m
- Safety barrier Kanerva Tuiskukaide 300, Containment level N2, impact severity A, class of resistance to snow ploughing 4, post spacing 4 m
- Safety barrier Kanerva Tuiskukaide 170, Containment level N2, impact severity A, class of resistance to snow ploughing 4, post spacing 4 m

produced by or for

Kanerva Oy Kaide ja Kuljetus

Alhonkulmantie 193, 04660 NUMMINEN

and produced in the manufacturing plant(s) Mäntsälä

This certificate attests that all provisions concerning the assessment and verification of constancy of performance and the performances described in Annex ZA of the standard(s)

EN 1317-5:2007 + A2:2012

under system 1 are applied and that
the product fulfils all the prescribed requirements set out above.

This certificate was first issued on **2012-09-24** and will remain valid as long as the test methods and/or factory production control requirements included in the harmonised standard, used to assess the performance of the declared characteristics, do not change, and the product, and the manufacturing conditions in the plant are not modified significantly. The validity of the certificate can be checked on the Internet at www.inspecta.fi.

Inspecta Sertifiointi Oy, notified body No 0416, has issued the certificate on 2015-02-27

Tomi Kasurinen, Managing Director
